Explanation of increases in the budget:

The 2% growth limitation allows for a minimal increase of \$34,000 in the general basic fund. This fund houses the majority of county expenditures. The proposed increase provides for sustainability of county services.

If applicable, the above notice is also available online at:

The above tax rates do not include county voted levies, mental health and disabilities services levy, debt service levy and the rates of other local jurisdictions.

Regarding proposed maximum dollars, the Board of Supervisors cannot adopt a higher tax asking for these levies following the public hearing.

Budget year effective property tax rate is the rate that would be assessed for these levies if the dollars requested is not changed in the coming year.
