Engineer Jared Johnson met with the Board to provide secondary roads updates. Spot rock was hauled to the Northwest, Southwest and Northeast maintainer districts. The mower tractor was out mowing hard surface roadsides down in the Northeast and Southeast part of the County. The sign truck was out working on repairing/replacing damaged and deteriorated signs on paved and gravel roads. Chip rock was swept back to the middle on the new J55 sealcoat and then broomed. A few additional loads were required. The roadway will be monitored for further bleeding, Johnson explained.
