

Ringgold County Board of Supervisors Minutes

July 6, 2021

The Ringgold County Board of Supervisors met in regular session Tuesday, July 6, 2021. The meeting was called to order at 9:00 A.M with the following members present: Ron Landphair, Colby Holmes and Steve Knapp.

A motion was made by Knapp, second by Holmes to approve the agenda.
AYES: Unanimous NAYS: None

Engineer Jared Johnson met with the Board to provide secondary roads updates. Spot rock was hauled to the Southwest and Northeast maintainer districts. The mower tractor was out mowing hard surface roadsides down in the Southeast part of the County.

The crew was out spot spraying roadsides, Johnson reported.

No action was required on the new J55 sealcoat last week. The roadway will continue to be monitored for further bleeding.

Green Tech installed the remainder of the erosion control devices last week at the Washington 20 site. The department requested the road closed signs to be picked up. The department will proceed preparing project closeout documentation.

The Middle Fork 19 project replaces an existing closed structure with a new 75'-10 x 26' PPCB bridge. The department has completed the final plans and bid documents. The project is set for a July 19th letting.

Johnson presented the Board with final plans for project L-MIDDLEFORK19(1)-73-80. The Board moved forward with approval.

Johnson went on to request approval to advertise for bids for project L-MIDDLEFORK19(1)-73-80. The Board moved forward with approval.

Johnson presented the Board with a SIRWA utility permit for approval. The Board moved forward with approval.

Johnson requested approval of statement of completion and final acceptance of work for project BROS-SWAP-C080(73)—FE-80, also known as the Routh Box. The Board moved forward with approval.

Johnson questioned the Board on their thoughts on a posted speed limit on 240th street south of Mount Ayr. This will be placed in attempt to control dust. The Board questioned whether the City of Mount Ayr needs to provide approval as well since they own a portion of the road. Johnson said he would reach out to them. The Board suggested a limit under 40mph would suffice.

Johnson discussed with the Board the need to purchase additional pipe. He received two bids; Sleeps Tile Yard \$104,391 and Iowa Tool & Manufacturing \$106,784. This amount provides for 128 pipes ranging in size from 24" to 60". Johnson recommended moving forward with the bid from Sleep Tile Yard. The Board agreed.

Holmes excused himself at 11:10 a.m. to attend a Southern Iowa Council of Governments meeting.
