

Ringgold County Board of Supervisors Minutes August 16, 2021

The Ringgold County Board of Supervisors met in regular session Monday, August 16, 2021. The meeting was called to order at 9:00 A.M with the following members present: Ron Landphair and Steve Knapp.

A motion was made by Knapp, seconded by Landphair to approve the agenda.
AYES: Unanimous NAYS: None

Engineer Jared Johnson met with the Board to provide secondary roads updates. Farm-to-Market rock was hauled to the North Central maintainer district. The mower tractors were out mowing hard surface and gravel roadsides in the Southern and Northwestern parts of the County.

The new J55 seal coat roadway required minor attention this past week in select locations. The roadway will continue to be monitored for further bleeding.

Work order 806: Clear brush and re-shape ditches on 275th Street. This project will also involve the replacement of deteriorated crossroad culverts. Located on 275th Street between 278th Ave and 285th Ave. (In Progress)

Johnson stated the apparent low bid is \$444,481.30 by A.M. Cohron & Son, Inc for the Redding Weir project. Last week the contract was fully executed, and the department will be contacting the contractor to schedule a pre-construction meeting.

The department submitted pre-audit documentation, final working day report, semi-final pay voucher, and certification of completion and final acceptance of work to the Iowa DOT for the Routh box project. The DOT will review the pre-audit documentation to determine if and audit is required. It is anticipated that this project will be selected for an audit since this is the first project by a new engineer. The contractor will review the semi-final pay voucher. It is at this point any discrepancies in paid quantities will be settled.

The department has completed the hydraulic analysis and preliminary design for the Monroe 4 site, Johnson said. A 9'-6 x 70'-0 R.R. tanker car at 25 deg. skew will hydraulically satisfy design discharges. The department has been looking to procure the required culvert for the project.

Johnson stated the J23 and P64 sealcoat project will entail applying additional sealcoat lifts and HMA leveler courses at culvert depressions to J23 from Diagonal to HWY 169 and P64 from HWY 2 to J20. This project will utilize Farm-to-Market funds. The department has activated these projects in Project Development, and requested that the projects be tied together. Plans for these projects are being developed.

At the Middle Fork 19 site this week, the plan is to finish installing overhang jacks, deck the overhang, install curb forms, place superstructure reinforcing steel, and install partial wing forms. Johnson said the deck is tentatively scheduled to be poured early next week.

The Board reviewed claims to be paid Wednesday, August 11, 2021.

The Board moved forward with appointing Monte Akers and Larry Swank as Athens Township Trustees as well as Justin Akers as Athens Township Clerk.

RESOLUTION RC21-142

WHEREAS, the Ringgold County Board of Supervisors do hereby approve to claims paid Wednesday, August 11, 2021.

THEREFORE, a motion was made by Knapp and seconded by Landphair stating such.

The vote on the resolution: AYES: All. NAYS: None.

ATTEST: Korbie Rinehart, Deputy Auditor. Passed and approved August 16, 2021
