Engineer Jared Johnson met with the Board to provide secondary roads updates. The excavator brush grinder has been working to cut/mulch trees and brush encroaching the roadway in the North Central maintainer district.

Spot rock was hauled to the South Central, Northeast, and Southeast maintainer districts.

Blades were out working on repairing gravel roads.

W.O. 914: Clear brush and re-shape ditches for approximately 500'. Located on 280<sup>th</sup> between 170<sup>th</sup> 180<sup>th</sup> Street. (Complete)

The preconstruction meeting for the J23 and P64 sealcoat project was held last Thursday. Administrative and project details were discussed at the meeting. The prime contractor, at that time, did not know exactly when they would be on site to complete asphalt levelers and seal coat work. Estimated time frame was late May to early June potentially. The earthwork subcontractor said they would be on site late spring once it is believed spring rains are over with to complete the roadway embankment work on J23, Johnson explained. Late start date for the project is July 11, 2022.

The department received a partial set of preliminary easement plats for the Benton 11 project to be reviewed. The department is still awaiting preliminary plats for the northwest corner of the bridge. The department is working on plan development for the project.

Treasurer Debra Cannon met with the Board to review the March month end report for her department.

Auditor Amanda Waske met with the Board to review the March month end report for her department.

The Board approved to appoint Caleb Schnoor to the Pioneer Cemetery Commission – District 5.

The Board reviewed claims to be paid Wednesday, April 20, 2022.
