Engineer Jared Johnson met with the Board to provide secondary roads updates. The tractor and mower has been out working mowing vegetation along the paved roadways and gravel roadways (P38, J55, P33, P27, J23).

The crew worked to clear brush restricting sight distance at the intersection of P38 and 310th Street.

The total patcher was out repairing pavement deterioration along P68, P64, J55, P46, J23.

No further action was required on J23, P64, of J43 seal coat roadways this week.

Farm-to-Market rock was hauled to the North Central maintainer district.

The backwall of the east sand/salt mixing bay was severely decayed and failing. The crew worked to repair the bay for winter operations. Repairs have been completed.

The crew concrete patched a pavement blow-up from this summer along J23. The concrete patch is located between P27 and the city of Diagonal along J23.

The department has worked to complete check plans for the J55 paving project. Check plan submittals are due September 6, 2022.

This past week at the Grant 1 site, the crew jacked up the superstructure at both abutments and replaced bearings, jacked up the superstructure at both piers and reset bearings, oversized masonry plates were required at the east pier, shear studs were attached to the beams for the beam end repair, holes were also cut into the bearing

stiffeners at the abutments for the beam end repair, ISU was on site and installed strain gauges on the beams at the west end for the TR 806 research project.

This week the plan is to install extension brackets for the abutment diaphragms, form for UHPC beam end repair, pour UHPC for beam end repair, strip formwork, modify existing diaphragms. ISU will be on site Tuesday to complete the installation of strain gauges on the beam ends at the east end. Once the UHPC beam end repair is complete the painter will be notified that they are now able to apply the second coat of paint to the beams.

The Board reviewed and approved the Member Proxy with Iowa Communities Assurance Pool (ICAP), the county liability insurance provider.

When Great Western Bank sold to First Interstate Bank, the Health Savings Account (HSA) program was transferred to Health Equity; a company based out of Utah. It is the recommendation of Auditor Amanda Waske to utilize a local provider to allow for a better customer service experience. Therefore, the Board approved to move the HSA program from Health Equity to City State Bank.

Public Health Director Becky Fletchall met with the Board to present a revised General Assistance Policy and request approval of said document. These changes are required to meet audit guidelines, Fletchall explained. The Board moved forward with approval.

Sheriff Rob Haley met with the Board to review inmate monitoring software; a program required by the state. The current program needs upgraded; therefore, Sheriff Haley is requesting approval to purchase the Guard 1 Program in the amount of \$4,729.06 plus an annual cost \$5,390. After further discussion, Sheriff Haley is going to do some more research on the quote provided and report back to the Board. Therefore, the Board tabled approval of the proposed bid.

The Board reviewed claims to be paid Wednesday, September 7th and moved forward with approval.
