Engineer Jared Johnson met with the Board to provide secondary roads updates. The tractor and mower has been out working mowing vegetation along the paved roadways (J55, P64, P68). Additionally, mowers have been working in the South Central and Southeast maintainer districts. Holmes stated Wayne Huber has done a great job mowing around the county. The roadsides look great, Holmes added.

The total patcher was out repairing pavement deterioration along 220th Ave.

Farm-to-Market rock was hauled to the Northeast maintainer district.

The crew has been working through and loading out broken concrete from a demolished hog building located along P38 near the state line.

The department is working to revise the plans for the final plan submittal on the J55 paving project. Final plans are due October 18, 2022.

The department has begun working on project closeout documentation for J23 and P64 sealcoat projects. The department has received the remainder of the required material certifications from the contractor.

This past week at the Grant 1 project site the crew poured the UHPC beam end repair at the east end, drilled and epoxied reinforcing for the east backwall offset, tied reinforcing

steel in the east backwall and wings, formed the east backwall and wings, and installed the expansion device in the east backwall.

This week the plan is to pour east backwall and wings, strip formwork at the east end and move to the west backwall, tie reinforcing steel for west backwall and wings, form west backwall and wings, install expansion device in west backwall.

Johnson presented the Board with a bid for culvert replacement; 600 linear feet needed to move forward with projects this week. The Board moved forward with the quote received from Sleeps Tile Yard in the amount of \$13,482.

Mindy Norwood with DHS will meet with the Board next week, September 26th.

The Board moved forward with closing Main Street through Tingley for their Halloween festivities on Saturday, October 29th.

The Board tabled approval of claims.
