

Ringgold County Board of Supervisors Minutes October 10, 2022

The Ringgold County Board of Supervisors met in regular session Monday, October 10, 2022. The meeting was called to order at 9:00 A.M with the following members present Ron Landphair, Steve Knapp, and Colby Holmes.

A motion was made by Knapp, seconded by Holmes to approve the agenda.
AYES: Unanimous NAYS: None

Engineer Jared Johnson met with the Board to provide secondary roads updates. The tractor and mower has been out working mowing vegetation along the paved roadways (J23, J55, P27). Additionally, mowers have been working in the North Central maintainer district. Spot rock was hauled to the Southeast maintainer district.

Work order update:

W.O. 964: Replace existing deteriorated 36" CMP culvert with new 36" ADS culvert. Located on P32 between 270th and 280th Street. (Complete)

W.O. 1015: Re-shaped ditch and replaced existing 18" entrance culverts. Located on P32 between 270th and 280th Street (Complete)

W.O. 1007: Re-shaped ditch and replaced existing 18" entrance culverts. Located on P32 between 270th and 280th Street (Complete)

W.O. 1008: Re-shaped ditch and replaced existing 18" entrance culverts. Located on P32 between 270th and 280th Street (Complete)

W.O. 1009: Clean ditches and extend existing entrance. Located on 110th Street between 130th and 140th Ave. (Complete)

W.O. 1012: Replace existing deteriorated 30" CMP culvert with new 30" ADS culvert. Located on 110th Street west of 130th Ave. (Complete)

W.O. 1011: Replace existing deteriorated 18" CMP culvert with new 24" ADS culvert. Located on 160th Ave. between 168th and 175th Street. (Complete)

W.O. 970: Replace existing deteriorated 30" CMP culvert with new 30" ADS culvert. Located on P32 between 290th Street and US HWY 169. (Complete)

W.O. 1013: Replace existing deteriorated 18" CMP culvert with new 24" ADS culvert. Located on 160th Ave. between 168th and 175th Street. (Complete)

W.O. 1014: Replace existing deteriorated 18" CMP culvert with new 24" ADS culvert. Located on 160th Ave. between 168th and 175th Street. (Complete)

W.O. 969: Replace deteriorated 24" CMP culvert with new 24" ADS culvert. Located on P32 between 290th Street and US HWY 169. (Complete)

This Union 10 bridge replacement is planned as a local project using local funding. It has been determined a R.R. tanker car 8' diameter or larger will work hydraulically for the site. The department has ordered the R.R. tanker car for the bridge replacement. Currently it is estimated the tanker will be delivered the week of October 16th.

The past week at the Grant 1 site the crew finished forming the east slab, installed the expansion device for the slab portion, poured the east slab, formed, and poured the curb sections, installed the joint material at the west expansion device, backfilled the east approach, and began cleaning up the site and hauling materials off site. The contractor was on site last week and graded, formed, and tied reinforcing steel. This week the plan is to strip the remainder of the formwork, finish cleaning up the site and hauling materials off site, install the joint material in the east expansion device, and re-install the guardrail. It is anticipated that the approach pavement will be completed by the end of the week.

The Benton 6 bridge replacement project has been added to the accomplishment year of the CFYP due to an unforeseen closure. This bridge replacement is planned as a local project using local funding. It has been determined a R.R. tanker car 8' diameter or larger will work hydraulically for the site. The department has ordered the R.R. tanker car for the bridge replacement. Currently it is estimated the tanker will be delivered the week of October 16th.

Johnson reviewed with the Board the final plans for project FM-C080(81)—55-80, also known as the J55 resurfacing project. The plans provide for resurfacing approximately 6 miles of J55 with a cost between \$4.5 million and \$5 million, funded through the farm to market funds. Due to funding restrictions, the miles will be broken up across J55 from the Decatur County line west to P46, repairing the more deteriorated sections. The Board moved forward with approval.

The board discussed the current General Assistance policy given a unique situation that has recently occurred. They agreed to make a one-time exception to policy providing for a one-time allowance of services to be provided by Prugh-Dunfee Funeral Home in Grant City at a fee of up to \$1,000 for cremation.

Sheriff Rob Haley met with the Board to review an upgrade to two doors at the jail. The recommendation provides for an added level of security where access can be managed internally. The quote received from Unplugged wireless provides for 2 doors, software, key cards and a touch pad for \$4,700. The Board moved forward with approval.

Sheriff Haley went on to present the Board with a bid from Lincoln's Lawncare to seed a portion of the lawn at the jail where trees were removed. The bid is \$2,500. The Board moved forward with approval.

RESOLUTION RC22-170

WHEREAS the Ringgold County Board of Supervisors hereby approve the final plans project FM-C080(81)—55-80.

THEREFORE, a motion was made by Holmes and seconded by Landphair stating such. The vote on the resolution: AYES: Unanimous. NAYS: None.

ATTEST: Amanda Waske, Auditor. Passed and approved October 10, 2022.

RESOLUTION RC22-171
