

Ringgold County Board of Supervisors Minutes December 12, 2022

The Ringgold County Board of Supervisors met in regular session Monday, December 12, 2022. The meeting was called to order at 9:00 A.M with the following members present Ron Landphair, Steve Knapp, and Colby Holmes. Also present: Randy Taylor

A motion was made by Knapp, seconded by Holmes to approve the agenda.
AYES: Unanimous NAYS: None

Engineer Jared Johnson met with the Board to provide secondary roads updates. The sign truck has been out working to repair downed/damaged/deteriorated signs. Closure was recommended for Athens 21 and Rice 7 due to bridge condition following a recent inspection.

The skid loader and chainsaws were out cutting brush in the South-Central maintainer district.

Tractors and mowers have been working to mow vegetation and brush along the roadsides in the Northwest maintainer district.

The crew worked to cut brush around signs, bridges, intersections, and roadway encroachment areas.

A steel rack was constructed to organize the lighter steel shapes in inventory and open up space for storage of heavier steel shapes.

Work order updates:

W.O. 1055: Clean and shape roadway ditches for approximately 600'. Repair roadway foreslope erosion. Excess material was wasted on adjacent landowner. Located along Ringgold/Missouri state line between P14 and 110th Ave. (Complete)

W.O. 1060: Clean and shape roadway ditches for approximately 950'. Excess material was hauled and place on a nearby level "B" roadway. Located along J25 between 190th and 210th Ave. (Complete)

W.O. 1048: Clear brush and shape roadway backslopes for approximately 0.4 miles. Located south and east from the intersection of P32 and 270th Street. (Complete)

W.O. 1062: Clear brush and shape side road area where required for approximately 2.0 miles. Located along 150th street and 122nd Ave. (Complete)

W.O. 1063: Repair erosion at crossroad culvert. Located along 130th Ave, between 170th and 180th Street. (In Progress)

W.O. 1064: Clear brush and shape side road area where required for approximately 2700 feet. Located along P68, between 260th and 270th Street. (In Progress)

W.O. 1059: Clean and shape roadway ditches for approximately 1300'. Excess material was wasted on adjacent landowner. Located along 150th Street between 122nd and 140th Ave. (Complete)

A bridge and RCBC solution were developed for Grant 11 site. In order to satisfy hydraulic and geometric conditions a 80'-0 single span bridge or 12'x10'x86'-0 RCBC is required. The concrete culvert option is less expensive construction wise, however, due to the new rule with the USACOE permit, streambed mitigation could make this the more expensive option.

This bridge replacement is planned as a local project using local funding and is a joint project between Ringgold and Union County. The site survey has been completed. The department has begun hydraulic analysis for the site.

Ted Smith & Renda Smith with Ringgold Insurance met with the Board to review the liability insurance renewal with ICAP for 2023. The Board moved forward with approval.

At the request of the attendees, the Board moved the 11am agenda item with Dennis Elliott and Joyce Weehler, to 1pm.

The Board reviewed claims to be paid Wednesday, December 14, 2022.

The Board recessed at noon for lunch.

At 1pm the Board met with Supervisor Compensation Board representatives Dennis Elliott and Joyce Weehler to discuss FY24 wages in preparation of the compensation board meeting on Wednesday, December 14.
