The Ringgold County Board of Supervisors met in regular session Monday, February 7, 2022. The meeting was called to order at 9:00 A.M with the following members present: Ron Landphair, Colby Holmes and Steve Knapp.

A motion was made by Holmes, second by Knapp to approve the agenda.
AYES: Unanimous NAYS: None

Engineer Jared Johnson met with the Board to provide secondary roads updates. The brush grinding equipment has been working to cut/mulch trees and brush encroaching the roadway in the Southwest maintainer district.

The crew has been out cutting brush in localized areas around bridges and signs.

The sign truck was out working to repair deteriorated/damaged signs.

Time was spent working to improve the organization of shop items and reduce clutter of items that are now obsolete.

A winter weather event clipped the southeast portion of the County during the Tuesday overnight. Traction control material was placed on the roadways where slick spots had developed.

Chip rock was stockpiled in the yard for an upcoming late spring/early summer sealcoat project.

With regard to the P64 and J23 sealcoat project, the Board of Supervisors moved to award the contract to the lowest responsive bidder, Astech, during the Monday, January 31st meeting. The department has moved the project contract to a status of "Approved by Local Public Agency" in DocExpress. The department is currently awaiting the Contractor complete their portion of the contract signing.

The department worked on incorporating the changes discussed with the landowner into the Benton 11 project. With the changes it is estimated approximately 4000 C.Y. of borrow material will be required for the project. It is the professional opinion of the department that this is an acceptable amount of borrow, and to proceed with this revision. The department worked on developing plan and profile and cross section sheets. The department will begin to working to obtain permits and clearances required for the project.

The Board reviewed the proposed second round funding of the first half allotment of ARPA funds. The Board moved forward with approval to fund the proposed projects, totaling \$267,981.

The Board met with Neil Hyde with Infomax to review an IT proposal.

The Board recessed at noon for lunch.

At 1pm the Board returned for FY23 budget workshop.

The Board tabled approval of claims.
