

## **Ringgold County Board of Supervisors Minutes February 14, 2022**

The Ringgold County Board of Supervisors met in regular session Monday, February 14, 2022. The meeting was called to order at 9:00 A.M with the following members present: Ron Landphair, Colby Holmes and Steve Knapp.

A motion was made by Knapp, second by Holmes to approve the agenda.  
AYES: Unanimous NAYS: None

Engineer Jared Johnson met with the Board to provide secondary roads updates. The brush grinding equipment has been working to cut/mulch trees and brush encroaching the roadway in the Southwest maintainer district.

The crew spot replaced timber bridge plank on County bridges Middle Fork 10 and Lotts Creek 1. This was in response to holes and/or holes that were forming in the existing bridge deck.

The crew has been out cutting brush in localized areas around bridges and signs.

The sign truck was out working to repair deteriorated/damaged signs.

Chip rock was stockpiled in the yard for an upcoming late spring/early summer sealcoat project. Approximately half of the required chip rock for the project has been stockpiled.

Quality Traffic Control mobilized to the County to cut the stop rumble panels in the south approach of the P27 and Hwy 2 intersection. While observing the existing pavement subsurface condition during the process, the department has concerns over the longevity of the rumble panels. In the future, should the rumble panels lose their effectiveness, alternate options will be discussed.

The Benton 11 project is planned as a bridge removal and grading project. This project will utilize Highway Bridge Program funding. The department worked to establish the existing easements present at the site. With the existing right-of-way known, the department can determine additional right-of-way and construction easement needs for the project.

The Grant 10 bridge replacement is planned as a local project using local funding. The department is working to collect field survey data.

The Board met with Treasurer Debra Cannon to review the semi-annual report. The Board moved forward with approval.

Public Health Director Becky Fletchall met with the Board to present the amended CROSS Region 28E Agreement along with the MOU between the Region and Fletchall. The agreement stipulates compensation for services provided by Fletchall as the Disability Service Coordinator for Ringgold County.

The Board participated in a virtual meeting with Cameron Adl with Neogov. The presentation reviewed a program that assisted with employee evaluations and an employee training platform.

The Board recessed at noon for lunch.

The Board met with Jeff Robinson with Tier 3 to review an IT proposal for the county.

The Board met in FY23 budget workshop.
