

Ringgold County Board of Supervisors Minutes

May 22, 2023

The Ringgold County Board of Supervisors met in regular session Monday, May 22, 2023. The meeting was called to order at 9:00 A.M with the following members present: Colby Holmes, Randy Taylor and Steve Knapp.

A motion was made by Knapp, second by Taylor to approve the agenda.
AYES: Unanimous NAYS: None

Engineer Jared Johnson met with the Board to provide secondary roads updates. The total patcher was out working to repair potholes along the paved routes. The total patcher worked to cover any places where concrete was showing along J55 in preparation for the upcoming PCC overlay project.

Spot rock was hauled to the North Central maintainer district.

Temporary mailbox banks were set up for the J55 PCC overlay project.

Work order update:

W.O. 1079: Clear brush and re-shape roadsides for approximately 0.5 miles. Located along 210th Street between HWY 169 and 240th Ave. (Complete).

W.O. 1080: Clear brush and re-shape roadsides for approximately 1/8 miles. Located along 210th Street between HWY 169 and 240th Ave. (Complete).

The detour for the J55 project was set up towards the end of last week. Road closures were setup up last Friday and the road was soft closed. The contractor is going to begin work on Monday, May 22nd at which point the road will be hard closed to thru traffic. The contractor is going to begin removals on the west portion of the project. The current plan is to start on the west portion and work it west to east then move to the east portion and work it east to west.

The contractor has placed all revetment at the box culvert and finished shaping at the Grant 13 project site. Road stone was placed on the traveled way. The roadway was opened to traffic last Friday. Temporary roadwork signs will be set up when the seeding and erosion control subcontractor is on site.

The contractor was unable to start the Benton 11 project last week, and is now planning to begin construction Monday, May 22nd with guardrail removal and removal of the existing culvert south of the bridge. Traffic control and detour signage has been set up for the project.

Last week at Grant 11 the crew hauled the remainder of the construction materials off site, placed revetment, backfilled the abutments, installed guardrail, and worked to shape the site. The bridge will be open to traffic this week.

The Board reviewed the recommendation submitted by Veterans Affairs Executive Director Dennis Adkisson to request reappointment of commission member Robert Creveling for a term June 2023 – June 2026. The Board moved forward with approval.

The Board moved forward with approval of the proposed amendment of the Iowa Child Abuse Prevention Program contract of which the county serves as fiscal agent.
