

Ringgold County Board of Supervisors Minutes

September 18, 2023

The Ringgold County Board of Supervisors met in regular session Monday, September 18, 2023. The meeting was called to order at 9:00 A.M with the following members present: Colby Holmes, Randy Taylor and Steve Knapp.

A motion was made by Knapp, second by Taylor to approve the agenda.
AYES: Unanimous NAYS: None

Engineer Jared Johnson met with the Board to provide secondary roads updates. Tractors and mowers have been out working to mow vegetation along roadsides. Mowing activity has been along J20 in the Northeastern part of the County, P46, J55 and in the South-Central Maintainer district.

The crew continued to work on hauling base rock on 140th Street/320th Ave. The plan is to haul the base rock now to provide time for material to naturally time down and allow the roadway cross section to be shaped. This road is then planned to be seal coat surfaced next late spring/early summer.

The sign truck was out working to repair/replace damaged, deteriorated, down, or missing signs.

The portion of P27 south of HWY 2 that was removed for the bridge removal project this summer was seal coated.

The crew seal coated a stretch of J55 with a single lift down the center where the existing seal coat was badly cracking with the left-over oil from the planned projects.

The bridge rail of Ringgold County bridge Lincoln 19 was repaired.

Work order update:

W.O. 1089: Re-sealcoat 160th Ave from HWY 2 to Benton. This roadway was seal coated last week. The project is now complete. (In Progress)

W.O. 1123: Replace deteriorated existing 24" CMP culvert with new 24" ADS culvert. Located along 310th Ave between 115th Street and 130th Streets. (Complete)

W.O. 1118: Replace deteriorated existing 24" CMP culvert with new 24" ADS culvert. Located along 310th Ave between 115th Street and 130th Streets. (Complete)

W.O. 1119: Replace deteriorated existing 24" CMP culvert with new 24" ADS culvert. Revetment was placed at the culvert outlet. Located along 310th Ave between 115th Street and 130th Streets. (Complete)

W.O. 1120: Replace deteriorated existing 30" CMP culvert with new 30" ADS culvert. Revetment was placed at the culvert outlet. Located along 310th Ave between 115th Street and 130th Streets. (Complete)

W.O. 1121: Replace deteriorated existing concrete box culvert with new 48" ADS culvert. Revetment was placed at the culvert outlet. Located along 310th Ave between 115th Street and 130th Streets. (Complete)

W.O. 1122: Repair hole in roadway and undermined backwall of Ringgold County bridge Riley 8. The exposed back wall was armored with revetment. (Complete)

W.O. 1115: Clear brush and re-shape roadsides for approximately 400'. Located along 228th Street between 208th Ave and the Mount Ayr city limits. (Complete)

All work for the J55 project is now complete. There are places along the new PCC overlay where the shoulder is soft. The department will have to monitor this and repair as required. The department has solicited quotes for asphalt milling and replacement to repair the remaining existing J55 where signs of significant distress are prevalent. This work is expected to be completed this fall.

The major construction activities are complete for the Benton 11 project. The erosion control subcontractor has been on site to seed and mulch the project area and start installing silt fence. A longitudinal silt fence has been installed; only the ditch checks now remain.

At Tingley 1, this past week the crew removed the falsework supports, lowered the falsework, removed joist panels, pulled the falsework beams and caps out from under the bridge and worked to haul materials off site. The plan for this week is to haul the remainder of the materials off site and begin grading and shaping at the bridge.

The Washington 15 project is currently being publicly advertised.

Treasurer Debra Cannon met with the Board to review the August month end report for her department. The Board moved forward with approval.

Auditor Amanda Waske met with the Board to review the August month end report for her department. The Board moved forward with approval.

The Board reviewed and approved the homestead credit and military exemption applications.

The Board tabled approval of claims.

RESOLUTION RC23-138
