Check plans for the Benton 12 project are due November 1, 2023. The department is working with the Ringgold County landowner immediately adjacent to the project on Right-of-Way acquisitions.

This past week the crew finished shaping the Tingley 1 site, site seeding, replaced a short stretch of fence at the NE corner that was removed during construction, placed granular surfacing material, and hauled the crane off site. The project is now complete, and the roadway is open to the public.

The public letting for the Washington 15 project was Monday, September 25, 2023. No bids were received for the project and the Board of supervisors by resolution approved the construction of the project using Day Labor at a cost not to exceed the Engineer's estimate. Last week on Wednesday the crew started on the project by moving the crane to the site, clearing and grubbing the site, and installing the temporary stream crossing. The excavator, dozer, and skid

loader were mobilized to the site. Reinforcing steel for the project arrived Friday and was unloaded on site.

The Board approved a starting wage of \$18.50 per hour for the courthouse custodian with a \$.50 increase after the successful completion of a six-month probationary period.

The Board reviewed claims to be paid Wednesday, October 4 and moved forward with approval.
