

Ringgold County Board of Supervisors Minutes

October 9, 2023

The Ringgold County Board of Supervisors met in regular session Monday, October 9, 2023. The meeting was called to order at 9:00 A.M with the following members present: Colby Holmes, Randy Taylor and Steve Knapp.

A motion was made by Knapp, second by Taylor to approve the agenda. AYES: Unanimous
NAYS: None

Engineer Jared Johnson met with the Board to provide secondary roads updates. Johnson also presented both the SIRWA utility permit request and the Level B Rock Agreement for 160th Ave with Wally Brokaw; both were approved by the Board.

The tractor and mower have been out working to mow vegetation along roadsides in the Southeast maintainer district. The Total Patcher was out working to repair potholes along P64, J55, J43, P27, P33, and 220th Ave. Spot rock was hauled to the Southwest maintainer district.

Work order update:

W.O. 1127: Clear brush and re-shape ditch and roadside for approximately 1500 ft. Located along 310th Street between P46 and 212th Ave. (In Progress)

W.O. 1131: Replace deteriorated 30" CMP culvert with new 30" ADS culvert. Additional fill material was hauled to the site to improve roadway foreslopes. Located along J55 within the Redding city limits. (Complete)

W.O. 1135: Replace deteriorated 24" CMP culvert with new 24" ADS culvert. Located along 320th Street between 150th and 160th Ave. (Complete)

W.O. 1136: Replace deteriorated 24" CMP culvert with new 24" ADS culvert. Located along 320th Street between 150th and 160th Ave. (Complete)

Johson updated the board on the Washington 15 project. Last week the crew finished assembling the crane, removed the laminated timber decking, picked the truss superstructure off its foundation and set it to the side, removed the existing bridge substructure, excavated both abutment footings to grade, roughed in the abutment slopes, laid out east abutment piling, drove initial 50' of piling at east abutment, welded on pile extensions at east abutment, drove east abutment piling to bearing and full penetration, tied east abutment reinforcing steel cage, and began form east abutment. This week, weather pending, it is planned to finish forming and pour the east abutment, drive east pier piling to bearing and full penetration, strip the east abutment formwork, move the crane to the west side of the bridge, drive west abutment piling. The Liberty 25 bridge replacement is planned as a local project using local funding and the site survey has been completed. Johnson reported that the department will begin the hydraulic analysis and preliminary design as time allows.

The department has completed the hydraulic analysis for the Tingley 27 site, and determined a single cell 14'x6'x50'-0 RCBC will work hydraulically at the site. Johnson said the department has begun preliminary plan development, and an additional flow line survey was required in order to establish inlet and outlet flow line elevations.

The board moved forward with approving the Class C Alcohol Permit for Ringgold County Development Corporation.

RESOLUTION RC23-148

WHEREAS the Ringgold County Board of Supervisors do hereby the SIRWA utility permit presented by Engineer Jared Johnson.

THEREFORE, a motion was made by Knapp and seconded by Taylor stating such.

The vote on the resolution: AYES: Unanimous. NAYS: None.

ATTEST: Korbie Rinehart, Deputy Auditor. Passed and approved October 9, 2023.

RESOLUTION RC23-149

WHEREAS, the Board of Supervisors have established policy by resolution RC22-130, for the improving of Area Service "B" roads to Area Service "A" roads; and

WHEREAS, section II of said policy allows for the improvement by granular surfacing to an Area Service "B" road and the road remains Area Service "B"; and

WHEREAS, a written request for granular surfacing in accordance with section II of the policy for the improving of Area Service "B" roads to Area Service "A" roads has been received from Wally Brokaw; and

WHEREAS, the request pertains to a section of Area Service "B" road located along 160th Ave, Section 1, Grant Township and Section 6, Washington Township. The point of beginning being approximately 0.31 miles south of the 160th Ave and J23 intersection along 160th Ave, and the point of terminus being approximately 250' south along 160th Ave; and

IT IS THEREFORE RESOLVED by the Board to approve the request for roadway improvement by granular surfacing on an Area Service "B" road and the road remains Area Service "B" in accordance with section II of the policy for the improving of Area Service "B" roads to Area Service "A" roads, RC22-130; and

BE IT FURTHER RESOLVED that all other resolutions or parts of resolutions in conflict with this resolution are hereby repealed. If any part of this resolution is adjudged invalid or unconstitutional, such adjudication shall not affect the validity of the resolution or action of the Board as a whole or any part thereof not adjudged invalid or unconstitutional. This resolution shall be in full force and effect from and after the date of its approval as provided by law.

THEREFORE, a motion was made by Taylor and seconded by Knapp stating such.

The vote on the resolution: AYES: Unanimous. NAYS: None.

ATTEST: Korbie Rinehart, Deputy Auditor. Passed and approved October 9, 2023.

RESOLUTION RC23-150

WHEREAS the Ringgold County Board of Supervisors do hereby approve the Class C alcohol permit for Ringgold County Development Corporation.

THEREFORE, a motion was made by Taylor and seconded by Knapp stating such.

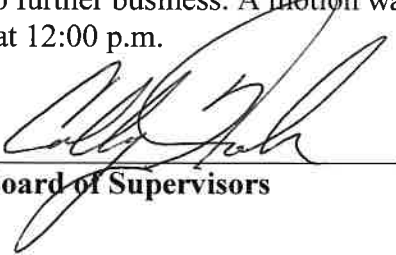

The vote on the resolution: AYES: Unanimous. NAYS: None.

ATTEST: Korbie Rinehart, Deputy Auditor. Passed and approved October 9, 2023.

A motion was made by Knapp and seconded by Taylor to approve the minutes. Motion carried.

There was no further business. A motion was made by Knapp and seconded by Taylor to adjourn the meeting at 12:00 p.m.

ATTEST:

Board of Supervisors

Ringgold County Deputy Auditor
