

Ringgold County Board of Supervisors Minutes December 4, 2023

The Ringgold County Board of Supervisors met in regular session Monday, December 4, 2023. The meeting was called to order at 9:00 A.M with the following members present: Colby Holmes, Randy Taylor and Steve Knapp.

A motion was made by Taylor, second by Knapp to approve the agenda. AYES: Unanimous
NAYS: None

Engineer Jared Johnson met with the Board to provide secondary roads updates. A winter storm event moved through the southeast corner of the County early Friday morning creating slippery conditions. Plow trucks were dispatched to treat these areas.

The crew worked to cut brush from bridge ends, signs, and culverts in the South Central, Southeast, and Southwest parts of the County.

Work order updates:

W.O. 1171: Clean ditch for approximately 1300 feet and haul off excess material. Located northeast and south from the 240th and Ringgold/Union Street intersection. (Complete)

W.O. 1173: Clean ditch for approximately 500 feet and haul off excess material. Located along 240th Ave between Ringgold/Union and 110th Street. (Complete)

W.O. 1169: Clear brush and re-shape ditch/road for approximately 2000 feet. Located along 240th Ave between 110th and 120th Street. (Complete)

W.O. 1172: Clean ditch for approximately 1500 feet. Ditched material was placed and spread on the adjacent landowner. Located along 250th Ave between 110th and 120th Streets. (In Progress)

Mitigation credits required by the USACOE permit have been purchased by Ringgold and Taylor County's for the Benton 12 project. The department is working to complete the check plans for the December 5th submittal date.

Last week at the Washington 15 site the crew finished hauling the remainder of the construction materials off site, installed the guardrail, tightened guardrail post bolts, backfilled the west abutment, removed the temporary stream crossing, shaped channel banks and placed revetment on the channel banks at all four corners, worked on shaping the roadway and ditches. This week, weather pending, it is planned to finish shaping the roadway and ditches, re-install entrances disturbed by construction, re-install fence, move the crane off site, and haul granular surfacing to the site.

Johnson presented the Board with a utility permit for the Mount Ayr Golf Course. The Board moved forward with approval.
