Engineer Jared Johnson met with the Board to discuss secondary roads updates. The sign truck was out working to repair downed, damaged, and/or deteriorated signs. The crew has been working to spray crawling vine brush at signs and bridge ends.

Tractor and mower have been out working in the Western portion of the County.

Farm-to-Market rock was hauled to the North Central and South-Central Maintainer districts.

The Total Patcher was out working along J23, J20, and P64.

Additional surfacing material was required in certain locations along the east lake road to ensure control of bleeding during upcoming hot days. Loose chips have continued to be swept back to the center of the road.

Work order updates:

W.O. 1193: Replace deteriorated 24" CMP culvert with new 24" ADS culvert. Located along 140th Ave between 190th and 200th Street. (In progress)

W.O. 1240: Replace deteriorated 4x6 concrete culvert with 102" CMP culvert. Located along 140th Steet between 260th and 270th Ave. (In progress)

W.O. 1194: Clean and reshape ditch area. Ditched material will be hauled to and used for W.O. 1193. Located along 140th Ave between 190th and 200th Street. (In progress)

The department has reached out to the IDOT on closeout status for the Grant 13 and Benton 11 projects.

The clearing and grubbing subcontractor was on site last week to remove all necessary trees. This work was completed. Once topsoil is striped adjacent to the sidewalk removal work will begin.

The Board discussed providing a cell stipend to IT Director, Zac Hague. This will begin with the next claims cycle and continue monthly. The Board agreed on a flat amount of \$50 per month.
