

## **Ringgold County Board of Supervisors Minutes**

### **September 30, 2024**

The Ringgold County Board of Supervisors met in regular session Monday, September 30, 2024. The meeting was called to order at 9:00 A.M with the following members present: Steve Knapp and Randy Taylor. Absent: Colby Holmes.

A motion was made by Taylor, second by Knapp to approve the agenda.  
AYES: Unanimous NAYS: None

Engineer Jared Johnson met with the Board to provide secondary roads updates. Tractor and mower have been out working in the Northeast part of the County on gravel roads.

Spot rock was hauled to the North Central, Northwest, Northeast and Southeast Maintainer districts.

The crew has been out working to seed disturbed areas in the ROW.

Work order update:

W.O. 1273: Replace deteriorated 66" CMP culvert with new 60" ADS culvert. Located along 110<sup>th</sup> Street between 250<sup>th</sup> and 255<sup>th</sup> Ave. (Complete)

Last week the contractor formed and poured two interior barrel sections and the inlet headwall and end section at the Benton 12 project. All concrete has been poured for the project. It is planned to have the site cleaned up and ready for backfill by the middle of the week.

Last week at Liberty 25 site, the crew finished decking the interior beam gaps, hung the north overhang brackets and decked the north overhang, hung the south overhang brackets, cut and installed the abutment diaphragm formwork. This week it is planned to finish decking the south overhang, install curb forms, install backwall forms, and begin tying deck reinforcing steel.

At the Diagonal sidewalk project last week, Dirty 30 was back on site to touch up areas where topsoil was not spread to the department's liking. Blue marble was onsite to top dress the area to be seeded. Fertilizing, seeding, and mulching were completed. Field work for the project is now complete. The City has planned a ribbon cutting for the project on Wednesday, October 2<sup>nd</sup> and 1p.m.

IT Director Zac Hague met with the Board to provide department updates. He discussed with them a server project he would like to complete this fiscal year along with bringing the entire county on the Microsoft 365 platform. He continues to plan and get quotes for all projects.

The Board reviewed claims and moved forward with approval.
