

Ringgold County Board of Supervisors Minutes

January 27, 2025

The Ringgold County Board of Supervisors met in regular session Monday, January 27, 2025. The meeting was called to order at 9:00 A.M with the following members present Randy Taylor, Colby Holmes and Steve Knapp.

A motion was made by Knapp, second by Holmes to approve the agenda.
AYES: Unanimous NAYS: None

Engineer Jared Johnson met with the Board to provide secondary roads updates. The tractors and mowers were out working in the Southeast and South-Central maintainer districts.

The skid loader brush cutter was out working in the northwest, south central and north central maintainer districts.

Chainsaws were out working to cut brush in isolated areas around signs, culverts and bridge ends.

Shoulder rock is being stockpiled in the northwestern portion of the county for use along P27 and J23 this year.

Johnson is inquiring about the status of the Benton 11 project.

The department continued to work on the design profile for the project to determine what the actual ROW need will be. To meet current design standards, it appears additional ROW will be required. The department is going to finalize the profile and cross sections to determine what the actual ROW needs will be and then proceed with a Phase II Archaeology Study. The department needs to collect additional surveys to expand the project profile and better balance the excavation.

The department is working on the preliminary plans for the Union 13 project.

The department has completed the initial site survey and is working on hydraulic analysis.

The department has completed the final culvert surveys for this project and is looking into replacement versus extension options.

The Board recessed at noon for lunch.

At 1pm the Board returned to meet with Conservation Director Travis Scott. Scott reported he has been taking a lot of animal calls. Scott continues to work on displays at the Nature Center. He went on to explain that he has been approved for grant funding for a silt pond at Liberty Lake. Scott reported he received funding for 2-dimensional steel printed fish mounts. The group moved into FY26 budget workshop.

The 2:30 p.m. agenda item with Kelly Butts will be rescheduled.

Treasurer Debra Cannon met with the Board to review the December month end report for her department. The Board moved forward with approval. Cannon went on to present the semi-annual report for her department. The Board moved forward with approval.

Auditor Amanda Waske met with the Board to review the December month end report for her department. The Board moved forward with approval.
