

Ringgold County Board of Supervisors Minutes September 22, 2025

The Ringgold County Board of Supervisors met in regular session on Monday, September 22, 2025. The meeting was called to order at 9:00 A.M. with the following members present: Randy Taylor, Colby Holmes, and Steve Knapp.

Approval of Agenda

Motion by Knapp, seconded by Holmes, to approve the agenda as presented.

AYES: Taylor, Holmes, Knapp

NAYS: None

Motion carried.

Engineer's Report – Jared Johnson

The tractors and mowers were out working in the northwestern and south-central portions of the County.

Chip rock for patching operations was stockpiled in the yard.

Farm to Market rock was hauled to the south-central maintainer district.

The total patcher was out working in the southern and northwestern parts of the County. The total patcher will continue to be out this week making roadway repairs.

Work Order Update:

W.O. 1381: Replace deteriorated 8' multi-plate culvert with new 10' RR Tanker. Inlet and outlet were armored with revetement. Located along 140th Ave between J23 and 150th Street. (Complete) The existing multi-plate culvert has been removed from the site. The site has been seeded.

W.O. 1388: Clear trees/brush and reshape roadside for approximately 0.80 miles. Located south and east from the intersection of 140th Street and 160th Ave. (In Progress)

W.O. 1367: Repair damaged inlet of large diameter multi-plate culvert. Repair will consist of removing a portion of the damaged section, pouring concrete cutoff wall, and armoring culvert inlet with revetment. Located along 170th Ave between 190th and 210th Streets. (Complete)

Washington 10 project update: Last week the crew finished forming and tying reinforcing steel for the downstream interior barrel section, poured the Downstream interior barrel section, stripped wall forms from the downstream interior barrel section, stripped slab supports from the upstream interior barrel section, tied wall reinforcing steel for the downstream end barrel section and headwall.

This week it is planned to finish tying reinforcing steel and forming the downstream end barrel section and headwall, pour the downstream end barrel section and headwall, strip forms from the downstream end barrel section and headwall, tie wall reinforcing steel for the upstream end barrel section and headwall, begin to form the upstream end barrel section and headwall.

Johnson presented the Board with a Grand River Mutual utility permit. They moved forward with approval.

Claims

The Board reviewed claims to be paid Wednesday, September 17, 2025, and moved forward with approval.

Rural Improvement Zone Projects Update

The Board wrapped up their board meeting with Ron Rainey, member of the Rural Improvement Zone (RIZ) Board and RIZ Project Manager Jon Vennink, who provided a tour of the projects completed around Sun Valley Lake.
