

Ringgold County Board of Supervisors Minutes December 1, 2025

The Ringgold County Board of Supervisors met informally on Monday, December 1, 2025. Due to an oversight in posting the agenda within the required 24-hour public notice period, no official meeting was held. The Supervisors received an informational update from County Engineer Jared Johnson regarding Secondary Roads. No deliberations were conducted, and no actions or decisions were taken.

Engineer's Report – Jared Johnson

The sign truck was out working to repair downed, damaged and deteriorated signs.

Plow trucks were prepared for the upcoming winter storm event.

The crew completed a concrete patch along J23 between Diagonal and Clearfield.

Plow trucks were dispatched Saturday in response to winter storm event moving through the county. By the end of the day, Saturday paved roads were cleared off and in good shape. Maintainers were dispatched early Sunday to begin snow removal on gravel roadways. Gravel road snow removal efforts continued early Monday morning.

Work order update:

WO 1429: Clear trees/brush and reshape roadside for approximately 1000 feet.
Located along P33 between HWY2 and 220th Street. (Complete)

WO 1428: Clear trees/brush and reshape roadside for approximately 1.6 miles.
Located along 280th Ave, 270th Street, 285th Ave. (In Progress)

WO 1418: Clear trees/brush and reshape roadside for approximately .7 miles.
Located along P33 between HWY2 and 220th Street. (Complete)

J55 Paving – the department has now received all material certs from the contractor. The department is working through the preaudit checklist, attachment E, for submittal to the IDOT.

Benton 12 – The department has worked through the preaudit Attachment E worksheet for project closeout and will work to make the submittal to the IDOT. The department is working to obtain missing documentation from the contractor and subcontractors. Once required documentation is received from the contractor the department is ready to make submittal to IDOT for preaudit determination.

Diagonal sidewalk project – The department has prepared and submitted all final forms for project closeout. Upon approval of the final forms from the IDOT the department will proceed with obtaining signatures on the final voucher and issuing payment.

Resident Sue Richards stopped in to visit with Johnson and the Board to express support for the reinstallation of the destination light at the corner of State Highway 169 and J20 (Tingley corner). Richards explained this would provide added security to those students parking at the intersection during sport events as well. The Board explained they do support Johnsons plan but are still researching cost and then will make a decision.

With no further updates, the Board concluded their informational meeting at 11:20 a.m.
