The crew worked to repair potholes along J23 between Clearfield and Diagonal using cold patch.

Plow trucks were readied in preparation for a forecasted winter storm event. Plow trucks were dispatched early Friday morning in response to a winter storm event that moved through the county overnight Thursday. This storm did not produce a lot of snow, however, warmer temperatures and early drizzle created icy roadways which were treated.

A request and application for destination lighting were submitted to and approved by the IDOT Safety Bureau and District 4 for the intersection of P33 and State HWY 2. This lighting request was approved.
