

Ringgold County Board of Supervisors Minutes

August 31, 2026

The Ringgold County Board of Supervisors met in regular session Monday, August 31, 2026. The meeting was called to order at 9:00 A.M with the following members present Colby Holmes, Randy Taylor and Steve Knapp.

A motion was made by Taylor, second by Knapp to approve the agenda.

AYES: Unanimous NAYS: None

Engineer Jared Johnson met with the Board to provide secondary roads updates. A tractor and mower was out working to mow vegetation along paved roadsides and Farm-to-Market gravels in the northwestern portion of the county.

Farm-to-Market rock was hauled to the north central and northwest maintainer districts.

The sign truck was out working to repair/replace downed, damaged, and/or deteriorated signs.

The department was out working to spray and mow noxious weeds along roadsides.

Broken concrete was processed for use as revetment.

Work order update:

J55 Chip Seal, from P14 to US HWY 169: The crew worked last week on some select surface preparation locations, swept the roadway, applied prime coat for 2.1 miles, and then seal coated the primed area. A fire at the planted delayed the start of oiling operations by one day. This week it is planned to prime the remainder of the roadway, finish 1st seal coat lift, and then begin working at the east end on the 2nd lift.

W.O. 1488: Clear brush and trees for approximately 700'. Reshape and widen travel portion of road. Located along 220th street, west of 160th Ave. (Complete)

The fully signed title sheet was replaced in the submitted final plans for the Union 13 project. Final plans were approved and submitted to contracts for inclusion with the November IDOT letting.

The department is working to prepare check plans for the P27 & P33 project.

Last week at the Middle Fork 10 site, the crew finished hauling and placing upstream revetment, performed final site shaping, broke down the crane, hauled of temporary stream crossing culverts, and hauled and placed granular surfacing. The

project is now complete. Road closure signs were removed from the site, and the bridge was opened to traffic.

Road closure signs were hauled to the Poe 17 site.

Johnson presented the Board with a Windstream Utility Permit. The Board moved forward with approval.

Johnson presented the Board with a request to close County Highway P33 from E 3rd Street to W 7th Street within the Diagonal City limits from 7:00 a.m. to 11:59 p.m. on Sunday, September 6th for a special event. The Board moved forward with approval.

The Board reviewed claims to be paid Wednesday, September 2 and moved forward with approval.
