Engineer Jared Johnson met with the Board to provide secondary roads updates. A tractor and mower was out working intermittently to mow vegetation along paved roadsides in the southeastern portion of the county.

Farm-to-Market rock was hauled to the northwest, southwest, and north central maintainer districts.

The sign truck was out working to repair/replace downed, deteriorated, or damaged signs.

Problem areas were checked for flooding damage.

The department has submitted necessary utility and work on ROW permit applications to the IDOT District 4 for the P27 project. The department has completed the preparation of the final plans for the project. A January 2027 IDOT letting is planned for the project.

The department has submitted applications for destination lighting at the P27 & HWY 2 intersection along with the J20 & US HWY 169 intersection. Destination lighting is planned to be installed at the P27 & HWY 2 intersection in conjunction with the P27 paving project. The J20 and US HWY 169 destination lighting project will be locally funded.

The department has received necessary utility and work on ROW permits from the IDOT District 4 for the P33 resurfacing project. The department is working on final plan preparation for the project. A January 2027 IDOT letting is planned.

The department worked to coordinate with adjacent landowners and utilities about the Poe 27 bridge replacement project. REC was onsite last week to remove a section of overhead line that would interfere with construction. The crew worked to begin mobilizing equipment to the site.

Don Beussink with Cott Systems met with the board to discuss a proposal to digitize board minutes from 1863 to present. The Board did not take action at this time. They will consider this project during budget workshop for FY28.
