

P14

CONTRACT

Taylor

This agreement, entered into this 30th day of OCTOBER, 1980 between Ringgold and Taylor Counties, Iowa regarding the maintenance and construction of the existing road commencing at the Iowa-Missouri border, thence North approximately 7.24 miles (formerly Iowa Highway 25) along the Ringgold-Taylor County line to the south junction of Iowa #2 and Iowa #25. This agreement shall remain in effect until superseded by another completed contract.

1) Taylor County shall be responsible for the initial erection and maintenance of all roadway signing with the exception of sideroad signing that lies upon Ringgold County Right of Way.

2) Taylor County agrees to maintain all pavement markings after the initial application, and supply future engineering studies related to said markings should future studies be required.

3) Taylor County shall be responsible for all roadside mowing and brush control that may be required.

4) Ringgold County shall be responsible for all snow removal, ice control, and any additional road surface clearing that may be required.

5) Each county shall be wholly responsible for the initiation, completion, and maintenance of all projects that are situated within their respective Right of Way.

6) Projects that involve both county Right of Ways shall be done by mutual agreement.

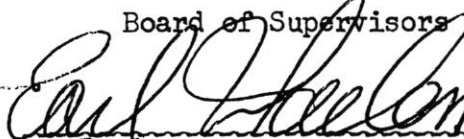

All the maintenance and construction projects listed above shall be cost shared equally. Said counties shall submit an itemized statement annually to one another for cost shared services performed. Said statement shall be mailed in January for costs incurred the previous year.

Because of differences in general county policies relating to driveways and field entrances and any surfacing thereon, the total responsibility for the construction, surfacing, and financing of said entrances and driveways shall be with the county in which they lie.

In Witness Whereof the parties have hereto affixed their signatures the day and year first above written.

JOINT PUBLIC SERVICE AGREEMENT

WHEREAS, under Chapter 28 E of the 1975 Code of Iowa, as amended, the Ringgold County Board of Supervisors may, as a public agency, enter into an agreement with a public agency authorized under the laws of this State to cooperate in such a way as to provide joint services and facilities with other agencies and to cooperate in other ways of mutual advantage.

NOW THEREFORE, THE PARTIES HERETO DO MUTUALLY AGREE AS FOLLOWS:

1. The terms of this agreement shall extend until notice of termination is served by either party, in writing, for any cause to the Ringgold County Board of Supervisors or to the Iowa Department of Natural Resources. Such termination shall be effective upon receipt of request by either party.
2. Ringgold County, through it's Engineering Department will provide services to the Department of Natural Resources upon request when possible and consistant with the time schedules and work load of the road department as determined by the County Engineer. The services provided will include: blading and shaping of roadbeds, driveways, shoulders, ditches, and parking areas; rock hauling, supplying and placing tubes, and other allied services.
3. The cost for such services provided by Ringgold County Engineering Department shall be actual costs and reasonable expenses for providing such services as determined by the County Engineer. These costs shall be billed to the Iowa Department of Natural Resources, Mount Ayr Wildlife Unit, SCS Office Building, Mount Ayr, Iowa 50854. Payment shall be made promptly by the Department of Natural Resources after submission of the bill.
4. Requests for services under this contract shall be in writing and addressed to the Ringgold County Engineer.
5. This agreement is meant for services of a minor nature. Requests by the Department of Natural Resources for any particular service will not exceed \$1,000.00.

-2-

The parties hereunto shall approve the agreement by resolution of their respective Boards of Commissions or Designees.

All parties to this agreement shall cooperate with each other to the fullest extent possible in order to facilitate and carry out the provisions of this agreement.

Dated this 25 day of September, 1987, effective until request to terminate as set forth in the conditions of this agreement, we do agree:
